## Commodore's Report

As Marley's newest Commodore, I'm hoping for smooth sailing the rest of this year and most of the next. I'm grateful for Christine moving up to vice and Bill Fischbein taking the Rear opening. I'm especially thankful to PC Kellie for doing the difficult job of Fleet Captain AGAIN ! I'm glad Cindy stayed on as treasurer (doing a great job I might add) and to Pat Macola for taking the thankless but very important job of Secretary. Thank you Gladys for being our 'Sunshine' person. Thanks to Loretta for staying on as News Letter person, and I believe Gail is still maintaining Marleys web site. I'd like to thank our new board of governors Clint, Karen, Otis, Brad Baker, and IPC Michelle. For those of you who couldn't make the 11/2 meeting I did the following in October: Red Eye and Baltimore Yacht Clubs ball. Well-woods luncheon, our back yard cruise, gathering at Alibis, Air Show from Jason and Kellie's boat, and Baltimore's October fest. I plan on attending as many boat functions as I can.

I pray no more members cross over the bar in the near future.

Thank You  
Commodore Larry

## Vice Commodore's Report

Hi everybody. Hope everyone had a great Thanksgiving.. I have been looking at what the Vice Commodore duties are and trying to prepare for opening day and our shrimp feast. I would like to have a general meeting to discuss all the jobs needed to be done to have a successful opening day. Please consider volunteering for these jobs. It only works when we all help each other. This is our largest project and fund raiser. I know every member wants to see our club succeed. Thank you.

Vice Commodore, Christine Welford

## Rear Commodore's Report

First I would like to say it is an honor to be the Rear Commodore for Marley Boat club. I have enjoyed my few years in the club and look forward to getting to know others over the upcoming year. At the next meeting I am looking for donations from the membership to create a Holiday basket to raffle off at the Holiday party. Finally if you have any ideas for future fundraisers please let me know.

Bill Fischbein, Rear Commodore

## Fleet Captain Report

As the new/old fleet captain, I wanted to express a few thoughts....

I am planning a very busy 2016, 2017 year! Please let me know if you have any events, locations, ideas!

I would love to see everyone at our events and outings! The more the merrier!

## Treasurer Report

Fall is now upon us and for the most part the boating season has come to a close. For the next year I will once again be the Treasurer of Marley. I will continue to do the best job that I can do for the club. Looking forward to more activities such as our Marley nights out, Christmas party and of course the 3 C's in Ocean City in January. I would like to congratulate our new Commodore Larry McLamb (aka Lamb Chop). Sorry Larry it is all Karen's fault. Also, congrats to Christine Welford, Bill Fishbein, Pat Macola, and of course Kellie Tysor for being a part of the bridge for the next year. Thanks Kellie and Jason. I had such a great time on Jason and Kellie's boat to see the air show in Baltimore and the ride to the restaurant with Gail and Karen. Another great day in the history of Marley. Cheers to all and hope everyone has a wonderful holiday season.

Dr. Cindy Layton, Treasurer

## Secretary Report

Hi Marley Members,

I am looking forward to working with the members and bridge to make this a great year. Looking forward to working with our Commodore Larry McLamb and helping in any way I can. I will be making copies of the minutes and handing them out at the meetings. We don't waste all that time reading them. We will vote on them just like the treasurers reports. Again, looking forward to a great year with the Marley family.

Pat Macola

### **Air Show 10/17/2016 by Larry McLamb**

On October 15, 2016, 9 passengers left Rock Creek aboard the Summer Dreams Headed to the Baltimore Air show. In the Middle Patapsco she cruised real well hardly noticed the swells Captained by Jason Tysor. On aeronautics he is quite wise. The crew was in no haste, they had some time to waste, Cindy, Christine and Smoke. He didn't tell us any jokes. Gail didn't have a sail, but her 23 foot boat was hot on our trail. Kellie, Karen, Larry and Michelle, even Kay came along to raise a little hell. We had bacon, barbecue, and even shrimp Cheese, crackers, and pumpkin spice dip. Rita Snyder's funeral is today, some of us think of her as we sit out in the bay. Jason dropped anchor when he found a spot, Kellie and Karen thought we should be over a few more knots. We all razzed Karen as the location was fine. As we discovered over time, Gail tied up on our starboard. No one was bored or went ashore. An MXS aerobatic plane flew around a little insane. A HH-65 orange helicopter hovered in one place, the pilot must have been an ace. A P-8 Poseidon navy plane made some fine moves, the pilot was in a groove. A half dozen T-6 Texans put on a dog fight

without any weapons. They look like Japanese ZEROS. Hope it didn't bother any Pearl Harbor HEROS. An F-22 and F-35 flew around making some loud sounds, looked like smoke flew from the wing tips as they swirled and dipped. They escorted a P-51 Mustang, all they needed was some fangs. Some RCAF C-18's made the rounds. Oh Canada you do astound. Then the stars of the show appeared Six F-18 Blue Angels flew in with no fear. They never fail to excite, causing much delight. Alright Alright  
Cindy and Karen got on Gail's boat off they went to Mariners Landing for drinks, no not cokes.  
We followed and soon docked. Karen called me lamb chop, Kellie called her a pork chop. As we left Bear creek in the twilight a hunters moon was big and bright. When we docked Kay was on her way Christine said no way. Kay said I'm OK to drive, she made it home alive.  
Jason made a fire on the beach, threw in a treated pine cone for colored flames, prettier than a peach. What a way to end the day, Unique and special in every way. It's Marley Boat Club, what can I say.
