## Commodore's Report

Hello Marley,

Since becoming Commodore, I've oversaw 8 meetings, Attended 17 Balls, and 14 Yacht Club openings ( 3 by boat). Attended 7 MBC events and 9 other Yacht Club functions. Hoping you support the King of the Chesapeake contest being held at Red Eye Yacht Club on July 29th. Wishing you a great summer.

## Vice Commodore's Report

As your Vice Commodore I have attended all of the Yacht Clubs openings except the weekend my grandson graduated from college at the University of North Carolina in May. I could not miss that. I would encourage all our members to come to the different Yacht Club functions and join all the fun with members of other clubs. They offer free dockage, dinners, and dancing . It's a great opportunity to know fun people and making new friends.

We did not do well with our shrimp feast on opening day so next year members want to try something else as our money maker. The crab raffle did well. An associate (ticket said "Dr. O") of Hal Louden won the crab raffle. Second place for 4 lbs of shrimp was April Caroll from Pennsylvania and third place for the box of wine was our own Kellie Tysor. I appreciate everyone who helped me on opening day and the shrimp feast that night. It really takes a team of hard working members to pull this off. I am proud of our Marley Boat Club and to keep it great we need members to actively participate with everything our club has to offer. Without you this club would not exist. So please consider one of the many positions Marley has to offer. Thank you.

## Rear Commodore's Report

After previous years of being an officer in other clubs I must say I am having the most fun with Marley. I am not used to such strong participation and large officer lines at the openings. Many years I was a party of one or two. It is also great seeing a

club that has so many events. I look forward to hopefully continuing to serve Marley for years to come and getting to know everyone even better.

On to the business of the RC, fundraising. I am in the process of putting together an alcohol basket to raffle off at the King of the Chesapeake. Here is where I need a big favor as I had planned a vacation out of town with my family from July 25<sup>th</sup> to August 5<sup>th</sup>. I will put everything together but would greatly appreciate one or two people that could sell tickets the day of the event. I had thought it was normally held later in the summer. For the help there might be an extra bottle left over or a nice gift card for the help lol.

I would like to ask anyone with donations to please bring them to the next meeting or I would be glad to meet you to pick them up. I am also working on some ideas for an end of summer fundraiser and have a few ideas but open to all at the July meeting

PS Fleet captain Kelly you have finally wore me down and not only am I going to the O's game but watching them on TV and wanting them to win. Still tough during Yankee games LOL

RC Bill

## Fleet Captain Report

Happy Summertime!

Your fleet captain has been working hard on planning events and adventures! I really hope that every can join us ..... Come by sea or by land!

## Secretary Report

Hi Marley Members,

Hope everyone is gearing up for the summer events. Our FC has quite a few things lined up and doing a great job as all of our officers are doing. June has been a busy month so far and I want to say thank you for all your thoughts and prayers for Charlie. He scared the living hell out of me. He should be back to work on June 19th. I hope everyone likes the idea of printing

the minutes for everyone to read at the meeting to try and save some time. I think it is working. Let me know if you have any problems with anything.

Have a safe and fun summer see you all soon!

Pat Macola

### **Treasurer Report**

Well have not done much with the club as I have been on vacation for a long time. Went to Charlotte, North Carolina for Nascar for 2 weeks. Camped right outside of the racetrack. This was my last year for this race. I am also not renewing my tickets for Richmond next year so I might finally make Marley's opening day in 2018. After my Charlotte trip I went to the Ravens Roosts convention in Ocean City. Now am back and hoping Otis and I can do some boating. Before I went to the ocean I fell up the steps and when I got back found out that I broke my pinkie finger and damaged the ligament. Now I have to wear a splint for 6 weeks. Otis and I will be hosting the backyard cruise at our home on September 16<sup>th</sup>. We have room for a few boats so let us know if you would like to bring yours. We do have electric. And just to let everyone know we will be going to the Ravens home opener on September 17<sup>th</sup> which is the next day so we won't be up real late. At least I think so. Hope everyone has a safe and enjoyable summer!  
Dr. Cindy, Treasurer

### **From the Nominating Committee**

Hi All

Just a friendly reminder that it is that time of year, when we ask members to consider going up on the bridge or holding a board position. If you are a current bridge member or on the board and wish to keep your position or move up, please let me know.

We also have openings on the bridge for Rear Commodore (an excellent opportunity to try out being an officer) and Fleet Captain (planning the fun events throughout the year). The nominating committee will present nominations to the board at the July BOG meeting and then at the August membership meeting. We will accept nominations from the floor and vote for new officers/board members in September.

If you are interested in a position please email me or if you have questions regarding any of the bridge/board positions, please don't hesitate to ask me or any officer on the bridge.

Have a fun and safe summer!
